

Country Doorknock Appeal to assist Country People with Cancer

The Cancer Council South Australia will conduct its annual Country Doorknock appeal between October 23 and November 14 this year.

The aim of the appeal is to raise \$125,000 and these funds will stay in South Australia to fund cancer research, education programs, the Cancer Help Line, and support services to people with cancer. Plans for additional accommodation facilities, to supplement the service provided by Greenhill Lodge, are also a consideration.

The Cancer Council wishes to thank both donors and volunteers alike for their support of this annual appeal. In particular funds from this appeal have supported many improvements at Greenhill Lodge, and these have been a great help to country people with cancer.

We still need volunteers, so if you would like to become a volunteer for an hour or two, please phone The Cancer Council, toll free on 1800 188 070.

Volunteer collectors freely give their time for this appeal each year, and your donation when a collector calls, would be greatly appreciated.
